

The Starlings of Memphis appreciate your interest in becoming a sponsor. Starlings of Memphis is a local program of the National Starling Franchise, the nation's largest non-profit junior volleyball club with teams in more than 50 cities throughout the U.S. The mission of Starlings of Memphis is to provide equal opportunity for girls from diverse, lower socioeconomic environments to train and compete at USA Volleyball's Junior Olympic level while encouraging teamwork, health, positive life skills, and academic achievement.

While junior club volleyball dues are often costly, Starlings club dues are dramatically minimized and some girls are provided financial assistance to cover their dues. As a 501c3 nonprofit, Starlings relies on the fundraising efforts of its participants, charitable donations, and players' dues to bring junior club volleyball to girls of all socioeconomic backgrounds and levels of play. Donations will go toward obtaining supplies, equipment, and facilities and help cover a portion of our program fees for those girls who require financial assistance to participate. Your support helps makes this program possible and allows fees to be managed so that every girl can be a Starling, regardless of her ability to pay.

For all sponsors at the silver level and above, your company logo and a link to your website will be added to the Starlings of Memphis webpage. Choose the level of sponsorship that best fits you and/or your company. If you are not able to donate at the sponsor levels highlighted, we encourage you to contribute an amount that is right for you or become a Host Sponsor by providing your facility for an event. All contributions are greatly appreciated.
